Hi Dick,

Well I finally got all of the information together that I wanted to send you. Attached is the listing of articles that I have had in the club newsletter. You are welcome to use any of them, just let me know what ones you would like and I will make you copies.

I have also included some pictures of some of the projects that I have been working on and a copy of my latest price sheet.

Happy Holidays, will talk to you soon.

Tom

Running these as Tom did, we have enough here for 6-8 years!
